raised by a muslim father galal ahmed s journey to faith in christ was anything but ordinary as a firefighter he embraced his newfound christian faith only to face jail time four months later for a crime from his past how can a man who committed heinous acts against an infinitely holy god not only find forgiveness but be adopted as a son inheriting all things is that fair through gripping personal stories and sound biblical exegesis that s not fair explores these provocative questions join ahmed as he recounts riveting encounters with imams atheists cult members and more offering clarity on the objection all have voiced at some point that s not fair this book will challenge the reader s perspective and illuminate the transformative power of god s grace

there are lots of rules we all need to follow from the dress code at school respecting someone's privacy to turning your light off at bedtime in six entertaining stories mayor moe and city council grapple with the task of making rules to keep their city safe prosperous and fair not an easy job since citizens come in all shapes sizes and colors and have different thoughts and beliefs readers will find out about the rights and freedoms enjoyed by every citizen in a democracy and why they matter with its strong focus on civic mindedness and social justice issues this book equips readers with the language and concepts that illustrate what it means to be an engaged citizen in a democracy and makes it fun

roxy ramirez has saved up for weeks to buy a chemistry set and now she's headed to the toy store to buy it there's only one problem along the way she keeps running into friends who are in trouble and need her to dip into her savings to help will she have enough money left over to buy something for herself especially designed for kids 4-6 it's not fair teaches kids about money choices generosity and what it means to have enough generous kids books teach age appropriate concepts about money possessions generosity and contentment

which would you choose kiss marry or kill when three best friends and founders of a health and wellness app on the verge of hitting the big time play a spin on the game of kiss marry kill at their company's summer outing they wake up the next morning in an alternate universe to discover they've each done just that kiss in the real world quiet indecisive aubrey is heartbroken over things ending with her fiancé in the new reality ushered in by the game aubrey finds herself in bed naked next to their company's newly hired graphic designer marry practical straight laced ilena on the brink of a divorce following a stressful struggle with infertility wakes up six months pregnant and married to their company's general counsel kill mallory's philosophy is to ask neither forgiveness nor permission yet the reckless behavior of their biggest investor crosses lines even mallory didn't know she had especially since she's been secretly sleeping with him for the past year she's mad enough to kill but in this world he's already dead told alternately from the perspectives of these three best friends this sliding doors esque story explores the nuances of ambition the power of female friendship and the many facets of love in our lives ultimately asking do our choices define us or do we define our choices

a tech industry insider takes a critical look at the effect games are having on our short and long term happiness and assesses the cultural prospects of a society increasingly obsessed with gaming the american game economy has become an enormous enterprise devouring roughly one ninth of america's entire economic output this overview of arguably the most influential segment of the entertainment industry examines the perspectives of gaming enthusiasts addicts designers arcade owners psychologists philosophers and more weighing the positive and negative aspects of games the author considers their effect not only upon the players but upon culture and society what trade offs are being made when people play games for twenty plus hours a week the author puts particular emphasis on candy crush

whose enormous popularity has left all other games far behind since 2013 it has been installed over a billion times and its simplicity has disrupted previous game design assumptions proving new games don't have to be sophisticated and graphically immersive he also offers insights from interviews with experts on the mechanics of manipulation sophisticated psychological tools are used to design games that are compelling irresistible and possibly addictive in a few cases obsessive game playing has been the cause of death whether you enjoy games as a harmless pastime or are suspicious of their effects on the quality of your family's life you'll want to read this wide-ranging exploration of the growing game phenomenon

Meg has fought hard for her independence so she's stunned to find herself staring at a gorgeous stranger one day wondering if there's more to life than a successful career she's even more surprised to realize she's looking at her own husband

The public outcry for a return to moral education in our schools has raised more dust than it's dispelled building upon his provocative ideas in *On Becoming Responsible* Michael Pritchard clears the air with a sensible plan for promoting our children's moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another's ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children's remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education
