articles that would sway general readers from what he saw as an intellectual torpor that accepted the growing role of government in American life. The liberals who controlled the presses found him dogmatic and irascible when he tried to turn Collier's Encyclopedia into a journal of conservative opinion. He was fired as editor in chief in 1959. He ended his career as publisher for the libertarian William Volker Fund, which collapsed in the 1960s under charges of Nazism. Couch was committed to publishing as a social cause and strove to disturb American complacency.
