we all know life can be an interesting journey but it is amazing what you can learn from the unexpected turns along the way author tonya mckinley knows how true that is especially while on the road in stumbling down the road less

traveled tonya takes a humorous look at some of her unexpected turns and shares her life insights learned from these surprising paths this enjoyable devotional takes you through traveling blunders facing every traveler as well as some less common experiences that every traveler hopes to never encounter all the while finding a lesson from the word of god in each stumble no matter your age or gender you will enjoy reading about these mishaps and adventures finding that you can't help but remember a few of your own we are all stumbling down the road less traveled but this book will help you learn to enjoy the ride

a horn is an instrument either for protection or destruction the horn in the horn of africa has for so long turned inward and on its people thus victimizing those it was supposed to defend the ensuing internecine bloodletting has thrown the region into an abyss out of which it is still struggling to emerge much of the story of this abyss is captured in social political economic and literary treatises written by indigenous and international experts rarely however has there been a single volume that brings together keen analyses of the expressive arts of djibouti eritrea ethiopia somalia and sudan the road less traveled is the first book of its kind it brings together in the same volume essays on the literatures of the horn of africa written by renowned regional and international scholars all the countries in the region their major writers and the genres through which the people in the horn express themselves are given careful attention the volume also includes essays that traverse borders and or transgress generic delineations delimitations the essays in the volume attest to a simple fact namely that through the arts humans weave a labyrinthine system of symbolic representations that bear witness to lives lived or imagined and while in the horn of africa catastrophes may abound the calamity that besets this region can equally be explained through its antiphony the perseverance and cosmic albeit cautious optimism of its people a horn after all is also a way of making music

further along the road less traveled takes the lectures of dr peck and presents his profound insights into the issues that confront and challenge all of us today spirituality forgiveness relationships and growing up in this aid for living less simplistically you will learn not to look for the easy answers but to think multidimensionally you will learn to reach for the ultimate step which brings you face to face with your personal spirituality it will be this that helps you appreciate the complexity that is life continue the journey of personal and spiritual growth with this wise and insightful book

this collection captures the wackiest experiences of writers whose travels took a detour such as dave barry vainly trying to learn more japanese than how to order a beer and mary roach who discovers that utilizing an antarctic outhouse at the very moment a seal chooses to use its opening as a blowhole may not be the best way to start the day

every year millions of people visit the top tourist destinations in california and nevada but often come away disappointed because of the crowds and congestion this unique guide skips the usual tourist traps and focuses instead on out of the way places that are just as fascinating and picturesque but far less crowded and much more friendly with wry humor veteran travel writers don and betty martin guide drivers to novel attractions along scenic routes from a perfectly preserved 1930s beach resort to undiscovered wine country and uncrowded national parks along the way the identify intriguing towns museums restaurants and campgrounds and pinpoint the best hikes bike rides fishing spots and rafting sites for a western driving vacation with lots of charm this is an indispensable guide

a literary exploration that seeks to answer the question have i lived the life i intended based on an essay he wrote for poets writers magazine jesse browner a novelist who finds himself torn between his creative calling and a full time job in the civil service asks hard questions about the choices life imposes on us and our tendency to believe in a parallel alternative existence where we might have felt more fulfilled more free more true to ourselves he wonders is the genuine artist made by single minded devotion to his craft do we compromise our dreams in service to family and work in the face of life s inevitable disappointments how do we learn to reassess our own achievements and live without regret these questions prompted browner to take a hard look at the lifelong journey that brought him to this moment of existential doubt he divides his adult life into five distinct phases ambition love work fulfillment and wisdom sketching portraits of himself at each stage he looks for the idiosyncrasies blind spots and commonalities that led him to question every assumption he has ever made about who he is and the nature of his ambitions his successes and his failures he also draws on the lives of others from franz kafka to indie rocker elliot smith to his own sister in search of understanding and guidance what he finds in his courageous quest is inspiring and honest sometimes brutally so touching on what it means to live a life with intention and meaning

contrarian investing what it is how it works and why millions of successful investors see it as the only logical choice davis is one of the most widely respected technical market analysts operating today louis rukeyser contrarians say that when it comes to investing the crowd is wrong more often than it is right and prove it with their 200 year history of success the triumph of contrarian investing is a fascinating in depth examination of the impact of crowd psychology on markets how the crowd is often predictably incorrect and how investors can use long proven contrarian investing strategies to uncover tremendous buying and selling opportunities ned davis one of today s biggest names in investing reveals how to ignore the temptation to join the crowd and uncover tremendous opportunities consistent signs that a stock s price has been driven too high or too low strategies for protecting contrarian portfolios when as sometimes happens the crowd is right
