submissive submissive explores the largely hidden world of the submissive and masochistic female the 20 selected interviews here were conducted over a 10 year period by the bdsm magazine publisher and writer roy turner and offer a full frank and totally unique insight into the real world of the lifestyle submissive it certainly isn t some e l james fifty shades of grey or nancy friday my secret garden etc fantasy fest what it does show is that those stereotypes if they exist at all are just not at all representative of the experiences related here like her male counterpart the submissive female comes in all types she can quite often be a highly successful career woman in real life that simply craves the occasional release from responsibility that comes through role play or a women who throws herself headlong into the lifestyle 100 there was also a tendency to separate husbands lovers from masters and carry on a double life either with or without their partner s knowledge or consent but there is also a much darker side too that is not found so much in the male submissive a truly dangerous area that some women willingly step into these women certainly walk the talk whether it is extreme role play slave training pony girl enforced servitude and prostitution abduction or even kidnapping consequently some

of the experiences related here could be considered extremely shocking and genuinely disturbing it's definitely not one for the faint hearted for many interviewees the need for domination had its roots not surprisingly in childhood an authoritarian even brutal father who went way beyond the occasional spanking etc started a trend which they sought to recreate in future relationships but other subjects found themselves instinctively drawn to it for reasons less explicable certainly not out of diminished self esteem or anything that obvious in many of the stories told the division between controlled and controller becomes blurred in other words the so called submissive is actually directing the scenario by far the most popular and powerful scenario for most women was the idea of being used by two or more men total humiliation and degradation often being the key driver take a peak and use the look inside feature and get to read a free sample of the book publisher's note this ebook contains explicit sexual content graphic language and situations that some readers may find objectionable it is intended for an adult audience
