from renowned human rights lawyer michael sfard an unprecedented exploration of the struggle for human rights in israel s courts a farmer from a village in the occupied west bank cut off from his olive groves by the construction of israel s controversial separation wall asked israeli human rights lawyer michael sfard to petition the courts to allow a gate to be built in the wall while the gate would provide immediate relief for the farmer would it not also confer legitimacy on the wall and on the court that deems it legal the defense of human rights is often marked by such ethical dilemmas which are especially acute in israel where lawyers have for decades sought redress for the abuse of palestinian rights in the country s high court that is in the court of the abuser in the wall and the gate michael sfard chronicles this struggle a story that has never before been fully told and in the process engages the core principles of human rights legal ethics sfard recounts the unfolding of key cases and issues ranging from confiscation of land deportations the creation of settlements punitive home demolitions torture and targeted killings all actions considered violations of international law in the process he lays bare the reality of the occupation and the lives of the people who must contend with that reality he also exposes the surreal legal structures that have been erected to put a stamp of lawfulness on an extensive program of dispossession finally he weighs the success of the legal effort reaching conclusions that are no less paradoxical than the fight itself writing with emotional force vivid storytelling and penetrating analysis michael sfard offers a radically new perspective on a much covered conflict and a subtle painful reckoning with the moral ambiguities inherent

in the pursuit of justice the wall and the gate is a signal contribution to everyone concerned with the israeli palestinian conflict and human rights everywhere

this series assists countries to improve their environmental policies by making concrete recommendations for better policy design and implementation it helps integrate environmental policies into sector specific policies such as those in agriculture energy transport and health the present publication contains the third environmental performance review of georgia the review takes stock of the progress made by georgia in the management of its environment since the country was reviewed in 2010 for the second time it assesses the implementation of the recommendations contained in the second review it also discusses issues on air protection water management including protection of the black sea waste management biodiversity forests and protected areas energy industry agriculture transport forestry tourism health and risk management of natural and technological anthropogenic hazards
