name it and claim it just have faith give and you will get catchphrases like this have convinced many christians that trusting in god will bring health and wealth but the gospel does not promise prosperity without pain or salvation without sanctification femi adeleye draws on his wide ranging experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in africa as well as in the west

there is no need to be defeated god has given us his word he is all the equipment we need kenneth e hagin writes in the preface to his book what to do when faith seems weak and victory lost i meet christians all the time who have problems rev hagin continues they have come to the place where they say i don t know what to do have you ever been there this is the reason for this book these 10 steps taken in sequence will bring anyone out of defeat into certain victory in the book s summary rev hagin warns do not make the mistake multiplied thousands of christians are making that is wondering and wavering concerning the will of god in anything that is promised by god

hospital for sinners is the culmination of nearly thirty years of planning and preparation the idea was first conceived in the late 1970 s thus we have a storied history of the religious right and its components from 1979 to 2006 during this time period the supposedly light of the world has become darkened by sex scandals misappropriation of funds and sundry other lewd behaviors our church leadership is in pursuit of money and power while hiding behind a mask of self righteousness and political associations does god want christians to clothe themselves in sackcloth and ashes no nor does he desire one to ride around in a rolls royce either

philosophy of religion is focused chiefly on theism yet there are a growing number of new and alternative religious movements that would also benefit from philosophical scrutiny this book is the first collection of philosophical essays by a team of international authors focusing on new and alternative religious movements the book begins with an examination of the definition of new religious movements before offering an introduction to and an analysis of core beliefs held by particular movements including scientology raelianism siddha yoga the arica school the church of the latter day saints mormonism pantheism digital theology new atheism and the word of faith movement contributors offer an analysis of one or more of the core tenets of the religious movement providing readers with both an insight into the group and the methodology of philosophy of religion

the name it claim it theology of the word faith movement is presented as biblical but is it in this compelling book mcconnell documents the historical link between faith theology and new thought metaphysics he then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of christ to show how they deviate from biblical teaching this updated edition features a foreword by hank hanegraaff and an afterword by mcconnell softcover from hendrickson

god the father has given his people many tools to conquer the enemy devil he jesus left us as power of attorney when the author was not sure of her faith and power god gave her the following prophetic word loreatha i am your source of power and it is never off you are never in the dark with this power i give to you you can free others from the dark and bring them into my marvelous light where they are changed healed from depression oppression physical healing and set free of demons my power is never off teach the people this book will enlighten you to realize that you have power over the wiles of the enemy

renewal theology deals with the full range of christian truth from within the charismatic tradition previously published as three separate volumes renewal theology represents the first exhaustive balanced articulation of charismatic theology renewal theology discusses book one god the world and redemption book two salvation the holy spirit and christian living book three the church the kingdom and last things as theology this work is an intellectual achievement but it is much more than that the author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of god done in such a spirit theology becomes a faithful and powerful witness to the living god
