from doctors experimentation on slaves to the black lives matter movement mental healthcare for black americans requires an in depth investigation into how we got to where

we are today racism in america black mental health provides an overview of the historical and modern development of mental health among black americans issues such as the criminalization of mental health issues distrust in healthcare systems and the effects of racial discrimination are explored to offer insights into the future of black mental health

black reconstruction in america interprets the twenty years of reconstruction from the point of view of newly liberated african americans though lambasted by critics at the time of its publication in 1935 black reconstruction has only grown in historical and literary importance in the 1960s it joined the canon of the most influential revisionist historical works its greatest achievement is weaving a credible lyrical historical narrative of the hostile and politically fraught years of 1860 1880 with a powerful critical analysis of the harmful effects of democracy including jim crow laws and other injustices

the continuing relationship between america and the holy land has implications for american and jewish history which extend beyond the historical narrative and interpretation the devotion of americans of all faiths to the holy land extends into the spiritual realm and the holy land in turn penetrates american homes patterns of faith and education in this book davis illuminates the interconnection of americans and the holy land in historical perspective and delineates unique elements inherent in this relationship the role of zion in american spiritual history in the christian faith in jewish tradition and communal life and the impress of biblical place names on the map of america as well as american settlements and institutions in the state of israel the book concludes with an annotated select bibliography of primary sources on america and the holy land

this book provides a comprehensive up to date and theoretically grounded approach to gangs and youth violence it covers significant topics of interest to gang scholars and practitioners and in doing so serves to prepare students to work with gang members develop and manage anti gang programs or engage in scholarly endeavors the book introduces readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs and the distinctions between these arguably different types national and international trends distinguishing features of serious street gangs what works with gangs and what doesn t and myths and realities james howell s extensive experience in this area allows access to the most authoritative national survey data on gang trends providing insight into topics such as female gangs migration of gang members small town gangs versus the major adult gangs in large cities gang homicides and drug trafficking

essay from the year 2017 in the subject didactics for the subject english literature works language english abstract the namesake is the first novel from pulitzer winner jhumpa lahiri focusing on the division between assimilated american children and indian migrants the author analyzes ganguli family beginning with ashoke s close confrontation with death

when he gets through a train crash in his homeland india apparently this took place when he was reading his cherished novel by nikolai gogol during his stay in the united states of america with his wife he chooses to name his newborn child gogol which was a pet name later this turns out to be his official name and gogol is oblivious of the importance behind it thus this piece analyses the american identity in the novel the namesake by exploring the role of family culture and environment in shaping american identity

includes the institute s proceedings
